

DIVORCE

Ex-Mayor McKisson

Alleges His Wife Has
Been Neglectful.

Judge Kohler Heard Testi-
mony Monday.

Intimates That Decree Will be
Granted.

Mrs. McKisson Will be Given Judg-
ment For Alimony.

Ex-Mayor Robert E. McKisson appeared in the Common Pleas court in Elyria yesterday as an applicant for a divorce, says a Cleveland special. His case was heard by Judge Kohler of Akron, but the decree granting the divorce was not entered upon the journal of the court. Judge Kohler intimated last night that he would grant Mr. McKisson a divorce decree in a day or two, but refused to make a definite statement regarding it until the formal decree has been entered upon the court records. It is understood, however, that the attorneys were informed that a divorce would be granted and that all that remains is the formal act of drawing a decree.

The suit for divorce was commenced by Mrs. McKisson, who charged her husband with gross neglect. The ex-mayor filed a cross-petition, making similar charges against his wife. Every possible effort was made to preserve secrecy in the proceedings and the fact that even the divorce papers had been filed did not leak out.

The parents of Mrs. McKisson live near Oberlin, which is in Lorain county, of which Elyria is the county seat. It is supposed that Mrs. McKisson went to the home of her parents and gained a legal residence in Lorain county before filing her suit. The law requires that a divorce case cannot be heard until at least six weeks after the petition is filed.

Judge Nye of Elyria is sitting upon the Common Pleas bench in that city, but for some reason, said that he could not hear the McKisson case. On that account Judge Kohler, who belongs to the same judicial district, was summoned to Elyria yesterday to try the case.

Mrs. McKisson did not appear at the trial in person and made no defense against her husband's cross-petition. She was represented at the trial, however, by an attorney, S. E. Thomas of Elyria, Hon. E. G. Johnson, of Elyria, a well known lawyer and Republican politician, appeared as counsel for Mr. McKisson.

Ex-Mayor McKisson took the witness stand in his own behalf and testi-

BETTER THAN THE KNIFE.

Pyramid Pile Cure Cures Piles Quickly,
Painlessly, Without Danger.

People go along for years, suffering with piles. They try this and that and the other thing, from carrying a buckeye to getting treatment from a physician. They obtain temporary relief, maybe, but they are never quite cured. A little strain in lifting, excessive fatigue, a little constipation, or a little diarrhoea and the piles come back. They don't seem to amount to much, but they banish sleep and appetite. No position is comfortable. There is intense local pain and that dreadful agonizing feeling of weight in the perineum.

Maybe in the early stages some of the many salves on sale will afford temporary relief. If the case is of long standing there is only one speedy and sure remedy. It is Pyramid Pile Cure. Even in light cases it is the safest thing to use. Other applications may cure and may not. Pyramid Pile Cure is always certain. Always brings comfort at once. It's prompt use saves months of severe suffering. In extreme cases it will save surgical operations and their attendant dangers and discomforts. It is better than a knife. Will cure easier, quicker and safer. Thousands have used it. The cost is trifling compared with what it does. The price is one dollar. Most anybody would gladly pay ten dollars to be rid of piles.

Druggists sell Pyramid Pile Cure. If you haven't it, he will get it for you from the Pyramid Drug Co., Marshall, Mich., sole manufacturers.

fied at length regarding the alleged neglect of his wife. Three or four other witnesses were examined and several depositions were offered in evidence.

Judge Kohler said last night that Mrs. McKisson would receive alimony, the amount having been agreed upon out of court.

The McKisson divorce proceedings will cause a great deal of a sensation in Cleveland, although there have been rumors in the past that the ex-mayor and his wife did not get along amicably together and that divorce proceedings might be instituted. A year ago last spring when Mr. McKisson was a candidate for re-election for mayor, the report was quite generally circulated that there were domestic difficulties in the McKisson family and that Mrs. McKisson would begin divorce proceedings. The report was indignantly denied, however, by both McKisson and his wife. The denial led to the supposition that the report was simply a campaign yarn.

It was reported last night that Mr. McKisson will soon marry a well known West Side lady.

At Mr. McKisson's residence at No. 84, Tilden ave., it was said last night that both the ex-Mayor and his wife were out of the city and their whereabouts could not be learned.

COUNCIL

Decided to Purchase

Fire Engines and Ap-
paratus For City

Recommended by Board
of Commissioners.

Three Members of Council Op-
posed to the Purchase.

Matter of Lighting East Market Street
Postponed.

The City Council, by a vote of eight to three at Monday night's meeting, decided to purchase two fire engines, one aerial truck and two combination hose carts, as recommended by the Board of City Commissioners five weeks ago.

After the fire and water committee had reported in favor of the resolutions to contract with the American Fire Engine Company for one metropolitan engine; the Thomas Manning Co., for one Manning engine; the Fire Extinguisher Company for one aerial truck and the Holloway Company, for two combination hose carts, Councilman Brady arose and said he would favor the passage of the resolutions, provided the city would execute its promises to build a fire station in the old Fifth ward at corner of Wooster avenue and Water streets.

Commissioner Paige said the Board of City Commissioners favored the building of a fire station in the old Fifth ward.

Councilmen Paul, Merz, and Fieberger voted against the purchase of new fire apparatus at the bids submitted and believed the city should re-advertise.

The vote stood: Ayes—Brady, Brodt, Brown, Koons, Mason, Markie, Piske, Rice, Nays—Fieberger, Merz, Paul. Absent—Sorricks.

AGREED TO POSTPONE.

By mutual request of the attorneys representing the Wellsbach Gas Lighting Company and the Northern Ohio Traction Co., the proposition of lighting East Market street with gas was continued for two weeks. Councilman Markie stated that every member of the Council should thoroughly investigate the matter and he moved that the City Clerk be instructed to write to cities now using the Wellsbach gas lights for information.

ORDINANCES PASSED.

The franchise ordinance granting permission to the Northern Ohio Traction company to extend its tracks on West Market street from Cobb avenue west to the city limits, petitioned for by over one-half of the property owners, was read and passed under suspension of the rules. An ordinance to change the name of Bare street to Edgewood avenue, was passed.

Ordinances to condemn property to extend Second, Third and Fourth sts. were passed. These streets are in the Second ward and the property condemned belongs to the Cleveland Terminal & Valley railroad, where the streets cross the company's tracks. It was never dedicated to the city for street purposes by the Railroad company.

RESOLUTION PASSED.

A resolution contracting with Contractor S. C. McGowan to construct sidewalks for the city for the ensuing year was read and passed. McGowan's bid, recently submitted to the Board of City Commissioners, was \$2089.87. The contractor will furnish all material, etc.

Resolution to condemn property for construction of a main trunk sewer in districts Nos. 1, 6, 8, 9, was passed.

REPORTS.

Poor Director Joseph Kendall reported that \$362.16 had been expended during the month of October for poor relief.

Mayor Young reported that \$221.90

SPANISH-AMERICAN

Veterans Met and Discussed Their Organization.

A meeting of the newly formed local camp of Spanish-American War Veterans was held last night in Company B's armory, after the regular drill of the company was concluded. The committee on by-laws requested more time, as they are awaiting literature from the national headquarters which will greatly assist them in their work.

The charter has not yet arrived, but will probably be here in another week. A meeting is called for next Monday night, when it is hoped everything will be in readiness to complete the organization.

Several more ex-soldiers who served in the war with Spain have announced a desire to become members of the local camp, and they will be taken in as soon as the charter arrives.

About 20 or 25 of the present members attended last night's meeting including several members of Company F.

GOOD WORK.

Done Daily In Akron. Many
Citizens Tell of It.

Nearly every reader has heard of Doan's Kidney Pills. Their good work in Akron still continues and our citizens are constantly adding endorsement by public testimony. No better proof of merit can be had than the experience of friends and neighbors. Read this case.

Mrs. F. S. Gordon of 153 Benjamin st., says: "Doan's Kidney Pills gave me freedom from gnawing backache, strengthened my kidneys and removed the annoyance caused by the kidney secretions being irregular. I read about Doan's Kidney Pills and went to Lamparter & Co's drug store and got them. After taking the treatment I was no longer weighed down with languor in the morning, my head felt better and the dizziness disappeared. My back was strengthened and I was generally invigorated. I can unhesitatingly recommend Doan's Kidney Pills to others."
